Pride in our innovation and insight.

KRyS Global is a professional services firm committed to resolving complex cross-border issues in the areas of Corporate Recovery, Insolvency, Forensic Accounting and Business Advisory Services.

KRyS Global has over 40 professionals who work from offices in four jurisdictions – Cayman Islands, British Virgin Islands, Bahamas and Bermuda.

Each office has a team of independent, dedicated and experienced professionals with practical expertise, global experience and the ability to provide objective, sound advice.

Our practical hands-on approach ensures our Clients receive remedies and results specifically suited to their needs and demands.

Our Clients face issues that represent some of the larger, more complex cross-border assignments.

Two of our more notable engagements:

SPhinX Group of Companies – A hedge fund group that suffered losses in excess of \$263 million. The first Chapter 15 application opposed under the United States Bankruptcy Code. First major liquidation in Cayman dealing with segregated portfolio companies. Litigation to recover losses is ongoing in New York against 40 defendants.

Fairfield Sentry Limited – Largest “feeder fund” invested in Bernard L. Madoff Investment Securities LLC. Successful Chapter 15 recognition despite opposition. We are involved in creative cross-border litigation strategies to aid in the recovery of our Clients’ investments.

KRyS Global attends to all our Clients promptly, frankly and with respect.
